

Jongen verovert bezet meisje, maar het achtbaanritje duurt maar even.

Jongen blijft bij een meisje slapen, en stelt zich voor hoe ze ook anders had kunnen zijn.

it's all right ma I'm only sighing

at dawn my lover comes to me and tells me of her dreams with no attempt to shovel the glimpse into the ditch of what each one means

She was married when we first met Soon to be divorced I helped her out of a jam I guess But I used a little too much force

you can train on down to William's Point you can rock your feet, you can rock this joint but oh, mama, you gonna miss your best friend now you're gonna have to find another best friend somehow

at midnight all the agents and the superhuman crew come out and round up everyone that knows more than they do they take them to the factories, where the heart attack machine is strapped across their shoulders, and then the kerosine is brought down from the castles, by insurance men who go check to see if nobody is escaping from desolation row

I wish there was something you would do or say try to make me change my mind and stay but we never did too much talking anyway don't think twice it's alright

I've heard you say many times that you're better than no one and no one is better than you If you really believe that, you know you have nothing to win, and nothing to lose From fixtures and forces and friends your sorrow to stem
